

We are hosting our Back to School Night on Wednesday, September 4th, from 6 - 8pm. You should report to your student's period 1 class when you arrive. There will be a brief welcome and prayer to start the evening over the PA system at 6pm. You will then follow your student's schedule with periods 1-7. A copy of your student's schedule will go home with them on Tuesday, September 3. Also, you can always access an electronic copy by signing in to the Infinite Campus Parent Portal. Please email our Director of Technology, [Carole Loufek](#) with questions.

Each teacher will discuss what students will experience in class and answer your questions. Parents/guardians with students in a study hall can go to the Lentsch Forum and enjoy a cookie and some coffee. In addition, if parents/guardians have bigger-picture questions about the school year, they are encouraged to contact their student's Dean, Amy Bellus- gr. 10, or Joe Hutchins - gr. 9, 11, 12.
