

Timing Grid

The objective of this exercise is to keep a steady beat while playing syncopated rhythms. You must also subdivide for your self and the rest of the line to make this work.

Cymbals will provide the steady beat by playing clams on every beat. It is recommended that they learn the BassDrum/Mallet line while practicing.

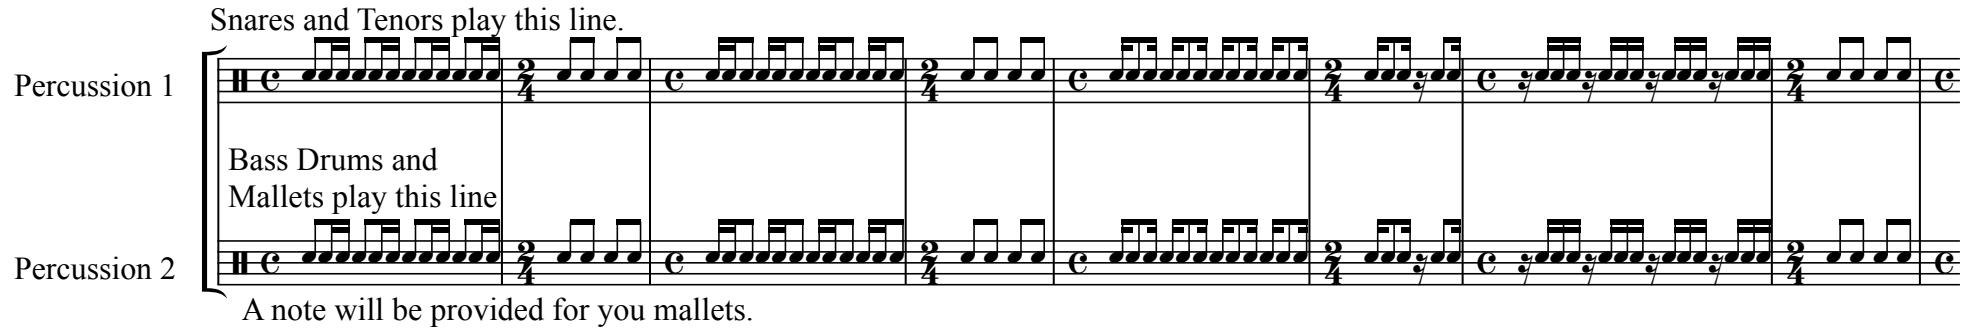

Percussion 1

Snares and Tenors play this line.

Percussion 2

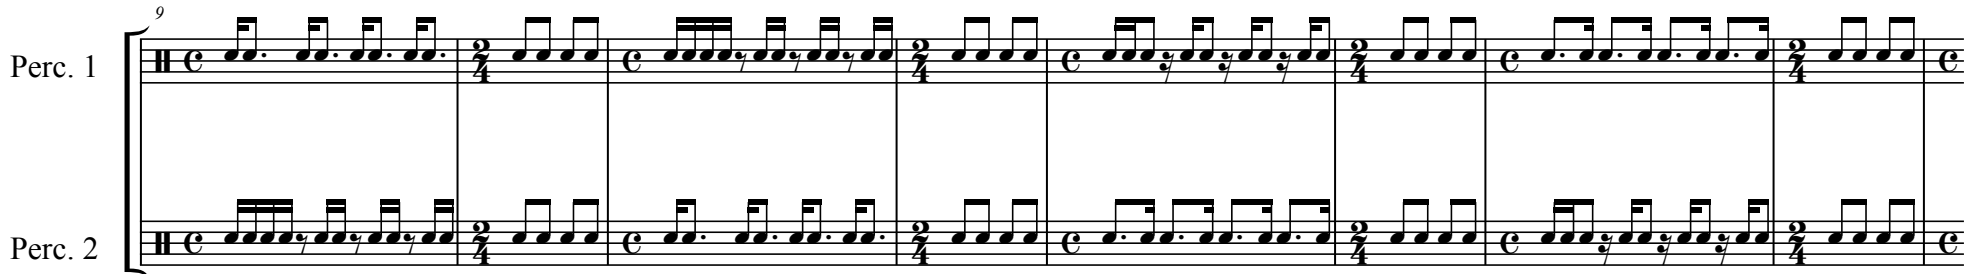

Bass Drums and Mallets play this line.

A note will be provided for you mallets.
