The Cretin-Derham Hall Mission

Cretin-Derham Hall is a Catholic, co-educational high school, co-sponsored by the Brothers of the Christian Schools and the Sisters of St. Joseph of Carondelet, committed to Christian values and academic excellence in grades nine through twelve. We will educate young men and women of diverse abilities, cultures and socio-economic backgrounds for opportunities in post-secondary education.

VALUES

CATHOLIC

ACADEMIC

The process of imparting an identified curriculum for the purpose of preparing students for opportunities in post-secondary education.

LEADERSHIP

Provide an environment in which students learn about, develop and exercise the skills necessary to positively affect their community.

COMMUNITY

A body of diverse and inter-related individuals who support, care and respect each other and seek to demonstrate these values in society.

SERVICE

A commitment to ministry within the church, school and community at large to develop a sense of stewardship.

DIVERSITY

A conscious focus on and a shared responsibility to understand and respect the differences in abilities, religions, cultures and socio-economic backgrounds of school, community and society.

EQUITY

A conscious focus on and a shared responsibility for the development of a gender fair environment.

Letter from the President

Dear CDH Community,

As I sit down to write this letter for the 2012-13 Annual Report, July is rapidly coming to a close. I can't help but reflect on the connection between this past Sunday's gospel reading about Jesus' friends, Martha and Mary, and our endowment campaign theme, *Lord, the Work is Yours!* We are all familiar with Martha the busy worker, and Mary the hospitable hostess. We are equally familiar with Jesus' admonishment to Martha when she complains that Mary is not helping her with all the details that go along with serving guests. "Mary has chosen the greater portion, and it shall not be taken from her."

We have heard many interpretations of this story, and often Martha gets the short end of the interpretation stick. I would like to suggest that in any endeavor, we need both the qualities of Martha and Mary to get the job done. Our faith tradition has a long history of honoring both prayer and work as two sides of the same coin.

We find dignity in work. Honest, hard work helps us not only make a living but provides for our needs. Our work is more than an instrument to provide for self-gain. In its highest form, work allows us to become co-creators with God to fulfill God's plans for our world.

In the last edition of *Traditions*, we announced the public phase of the *Lord, the Work Is Yours!* endowment campaign. This campaign (work) truly recognizes that educating young women and men of diverse abilities, races and ethnicities is part of God's creation unfolding. Our campaign's purpose is to ensure that kids of all backgrounds can access a Catholic education at Cretin Derham Hall in the decades to come. I want to personally thank those who have already made generous commitments to this campaign. I truly believe that this is the Lord's work and ask you to prayerfully consider whether you too are able to join our community in this work and make a financial gift to this campaign.

Thank you to the many donors who have helped us advance our mission during the past year. It is not the amount but the purpose for which you shared your resources that is critically important. Each and every gift has made a difference in the lives of our students. In this way you have joined in the *Lord's Work* and participated in the continuation of God's creation.

Please know that we need your prayers daily, and that we promise to pray for you and loved ones regularly throughout the next year.

Gratefully,

*In the fall of 2011, alumni/ae from Creton High School, Derham Hall, and Creton-Derham Hall voted to merge their alumni/ae associations into one, forming what is now called the **Creton-Derham Hall Alumni/ae Association**. The Association consists of men and women who have graduated from one of the three schools, who are committed to the ongoing success of Creton-Derham Hall and work to engage alumni/ae in the CDH community through service opportunities and alumni/ae gatherings.*

Letter from Development

Dear Alumnae, Alumni, Parents, Faculty, and Friends,

The report you are reading is the result of several people's efforts and literally hundreds of hours of work writing, generating reports, proof reading, and reproof reading. We want this report to be perfect and not to miss a single name. Sincerely, we dread the email or phone call that points out an inaccuracy in our reporting. I apologize in advance if we have inadvertently missed a name. We are grateful to all of our benefactors and want this report to reflect our appreciation accurately.

During the last fiscal year ending June 30, 2013, over **4000** benefactors made a decision to invest financially in the mission and values of Cretin-Derham Hall. For this we are truly grateful! Whether you call it stewardship, paying it forward, investing in our future, charitable giving or philanthropic support, we consider it a vote of confidence. Your support helps us invest in our students, our faculty, and advance our mission. Without this support it would be impossible to accomplish all we are able to do and still charge one of the lowest tuitions for secondary education in our archdiocese. Thank you for the role you play in the remarkable work that touches the lives and hearts of our students.

Nearly two years ago we began the silent phase of the **Lord, the Work is Yours!** endowment campaign. We recently publicly announced this campaign and had a celebratory kick-off event. The generosity of the CDH community is truly remarkable. We are pleased to announce that we have surpassed **75% of our \$40,000,000 goal**. The campaign is scheduled to run two more years. We are confident that we will successfully reach, and possibly surpass our goal by 2015. Our shared success will financially position CDH to meet the challenges of the next two decades, and ensure that significant financial aid will be available to a broad spectrum of those requiring assistance.

On occasion, benefactors ask me for the results of the matching gift challenge. I am pleased to report that last year's challenge resulted in over **\$720,000** in new or increased gifts during the past year. It also resulted in over **\$1,500,000** in pledges to the annual fund in the next three years. **Thank You!**

In keeping with our announcement last year, the matching gift challenge will continue for the 2013-14 school year. Therefore, all new or increased gifts to the annual fund will be matched dollar for dollar up to \$1,000,000.00 again this year. We are grateful for this challenge and know that it will motivate hundreds of donors to make a new gift or increase their level of giving. Please stay tuned for more details in our annual fund mailing this fall.

Humbly, we thank you for your generous support and promise to be good stewards of your gifts as we work together to advance the mission and values of Cretin-Derham Hall.

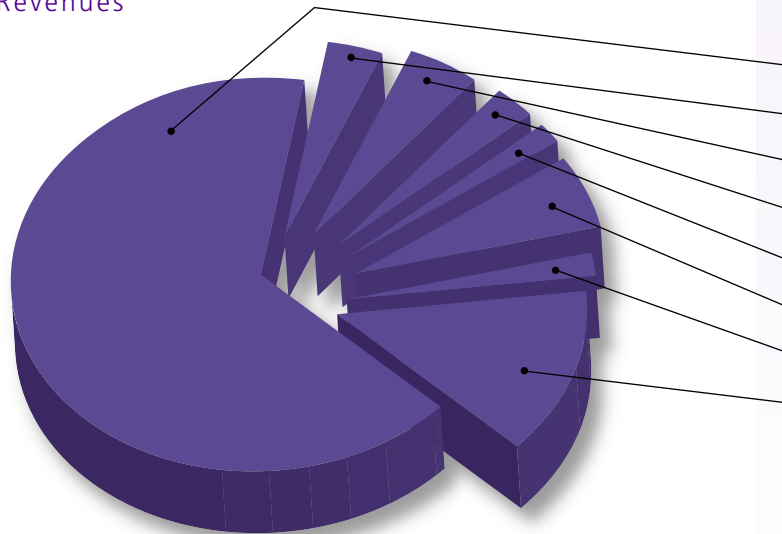

Gratefully,

Frank M. Miley, J.D.

Dear Cretin-Derham Hall Community,

The students of the Cretin-Derham Hall Class of 2013 have graduated and are now on to the next leg of their individual journeys. We send with them our prayers and our good wishes, and we share their excitement and their optimism. We know that every path chosen will present challenges, but that they are prepared and they are capable. These graduates, like the graduates before them, shared the Cretin-Derham Hall experience: educational excellence within an environment that is shaped by our Catholic values.

This is the legacy of our founders, the Sisters of St. Joseph of Carondelet and the Brothers of the Christian Schools, and this is the work that continues today.

Thanks to strong leadership, and a team of dedicated educators, our students are prepared to face the challenges presented by an increasingly competitive and complex world. They are encouraged to ask important questions, to seek knowledge, and to make choices that are a product of both head and heart. They see that service to others takes many shapes, and they are prepared to be thoughtful, informed citizens.

A Cretin-Derham Hall education is only possible through the support provided by the parents, alumni/ae, faculty, staff, and friends recognized in the pages of this Annual Report. Your generosity reflects our shared belief in the mission. Your gift is an investment in the future.

We recently announced the public phase of the endowment campaign, ***Lord, the Work is Yours!*** This campaign will ensure that Cretin-Derham Hall remains strong and is accessible to future generations of students. Thank you to our dedicated campaign leaders and to those who have already participated in this important initiative.

Cretin-Derham Hall is a special community that comes together to provide an exceptional educational experience. It is through your continued support that the work begun by the Sisters and Brothers generations ago is alive and thriving. To be a part of this work is an honor. Thank you for your ongoing loyalty and remarkable generosity.

Sincerely,

Bridget A. Manahan '74

Meet Langston Wesson '14

Senior Langston Wesson, who hails from St. Pascal Baylon Grade School, has two siblings who graduated from Cretin-Derham Hall, but that is not the reason he chose to follow in their footsteps. "I chose CDH," says Langston, "because it was the perfect fit for me."

Langston loves German and all science subjects, particularly physics, and would like to attend a Minnesota university someday to study engineering.

JROTC is a big part of Langston's CDH experience. He is a member of the Rifle Team, Flight Club, Honor Guard and Color Guard. He is also on the CDH Robotics Team.

None of this would be possible were it not for the supportive CDH community, says Langston. "I want to extend my thanks to the CDH community for their generous support," he says. "Without it, I would not have been able to attend this school."

CDH Highlights: The varsity Mock Trial team was the Region 9 Champion. Mock Trial fielded three teams this past year consisting of 27 students representing all grade levels.

Meet Hannah Zobitz '13

Hannah Zobitz's last name will surely ring a bell with a lot of alumni/ae. Her mom, Suzanne Engel Zobitz '80, is a Spanish teacher at Cretin-Derham Hall, and her dad, Frank, taught at the school for several years. "You could say I was born into CDH," says Hannah.

Not surprisingly, Hannah's favorite subject at CDH was Spanish, and, although she says choosing just one favorite teacher is impossible, she would definitely include social studies teacher Mary Robison on that list. "Her passion for teaching made learning fun and so much more enjoyable," says Hannah. Inspired by teachers like her, Hannah is attending the College of St. Benedict with a plan to major in elementary education.

Hannah had a full plate in her senior year at CDH. She was co-president of the CDH Student Council. She was the captain of the Girls Swim team. She was also a member of the Friendship Club, a group that hosts activities for CDH students and young adults with disabilities; LaSallian Youth, a group that meets periodically to process service experiences and share these experiences in the context of prayer and celebrations; CHOICE (Choosing to Help Others in a Chemically Free Existence), a group that pledges to remain chemically-free and to help others make positive decisions; People Finding People, the CDH mentoring program; and Green Dot, the school's anti-bullying initiative.

"I want to thank the CDH community for helping me grow academically and spiritually," says Hannah, "and for teaching me how to be the best that I can be."

CDH Highlights: The annual CDH Day at Spring Training in Fort Myers, FL, was held in March 2013 with more than 170 alumni/ae and friends in attendance.

Meet Luke Hamel '13

Upon his graduation from St. Odilia's Grade School in Shoreview, MN, Luke Hamel followed his older brother Nick '11 to Cretin-Derham Hall. In hindsight, he says, it was one of the best decisions he has made so far in his young life. "It was an easy decision," says Luke, who served as the co-president of the CDH Student Council, "and I have never regretted it."

Luke is a science guy who has also cultivated a deep sense of spirituality and social justice. His favorite classes included Honors/AP biology, Faith and Ethics, and Men's Spirituality, the latter two classes taught by Doug Meeker. "Mr. Meeker impacted my high school experience in a significant way. He taught me lessons that I will carry with me for the rest of my life, including how to be a respectable young man, and how to be self and socially aware."

Luke is at the University of Notre Dame where he plans to major in biology and psychology. Career plans include becoming a doctor or a marine biologist. But first, after earning his college degree, he hopes to live and work in Latin America as a medical assistant with an organization that houses orphans and abused children.

"I want to say thank you to the CDH community for making the last four years the best of my life," says Luke. "CDH as an institution and CDH as a community have collectively helped me to develop as a complete, well-rounded individual, and have shown me how to use my knowledge and abilities to serve those who need assistance in the world."

CDH Highlights: Cretin-Derham Hall student and staff volunteers received the Sandy Kiernat Community Service Award from the Amherst H. Wilder Foundation.

Meet Mariah Montero '13

When Mariah Montero's mom, Jeanna, first visited Cretin-Derham Hall, she was standing in the Field House while the CDH Boys Basketball team was practicing. One of the players stepped off the court to offer Jeanna a chair. "My mom knew immediately that CDH was the community for her children," says Mariah, "and I agreed."

Mariah amassed an impressive resume at CDH. She was a member of the Tennis team; Mock Trial; Chess Club; Robotics; LaSallian Youth, a group that meets periodically to process service experiences and share these experiences in the context of prayer and celebrations; Link Crew, a group of students who help 9th graders transition to high school; and Green Dot, the school's anti-bullying initiative. She served as the manager of the Softball team and as a Eucharistic Minister, and she was also a member of the National Honor Society.

"There aren't enough words to express my gratitude to all the donors who have enabled me to attend this school," says Mariah, who is studying psychology at the University of Minnesota, Duluth. "CDH is filled with such kind-hearted people—it seems surreal that so many are in one place!"

And, she adds, "I have changed tremendously since I came to CDH. From the bottom of my heart, thank you."

CDH Highlights: In April 2013 Students for Life of America (SFLA) recognized the Cretin-Derham Hall Respect Life Team as one of their Groups of the Month.

Meet Norma Farah '14

Senior Norma Farah aspires to be a doctor. She plans to major in pre-med at one of three universities she would like to attend: Columbia, New York University, or the University of Minnesota/Twin Cities. "I would like to specialize in either pediatric oncology or diabetes," she says.

Her science classes are of particular interest to her, and she appreciates science teacher Ann Marie Froehle for making difficult subjects "fun and easy to learn."

Norma is a member of the Speech Team, the Knowledge Bowl Team and the Science Olympiad Team. She also enjoys taking acting classes and participating in the school's theater productions.

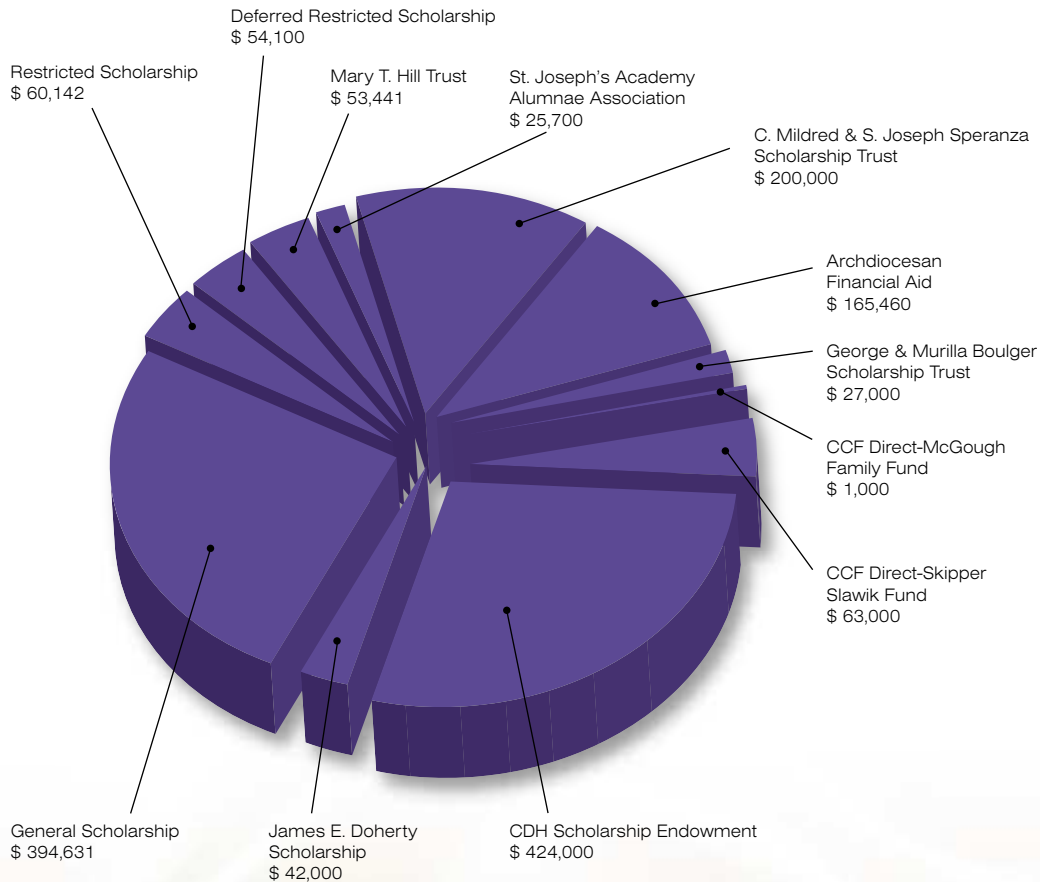

When she was 11 years old, Norma's father died of a massive heart attack. Her mom, a Lebanese immigrant and a tailor by trade, feared she would be unable to pay tuition at her daughter's elementary school, much less tuition at Cretin-Derham Hall.

"Were it not for financial aid, I would not be here," says Norma. "Donors have given me a gift that I will never forget. I want them to know that one day I will do for other students what they have done for me."

CDH Highlights: The 11th Annual Empty Bowls student-driven fundraiser was held in February 2013.

Lifetime Members of the Good Samaritan Council have distinguished themselves through their generous philanthropic support of Cretin-Derham Hall. Like the Good Samaritan referenced by Jesus as the model of the good neighbor, they have surpassed all measures of stewardship by advancing the mission of our school through their financial support. These generous benefactors have each donated \$100,000 or more since the inception of Cretin-Derham Hall.

Cretin-Derham Hall Torch Society

The mission of the Torch Society is to generate enthusiasm, involvement, and support from a new generation of leaders.

The baton must be passed to those in our community who are assuming the mantle of leadership to nurture and sustain

the academic, spiritual, and co-curricular opportunities that make CDH such an outstanding school. Membership is based

on engagement in the community and a history of consecutive giving. For more information, call 651-696-3382,

or email hberrisford@c-dh.org.

Cretin-Derham Hall 2012-2013 Donor Loyalty Society

Cretin-Derham Hall is blessed with many donors who support the school year after year.

The establishment of the Cretin-Derham Hall Donor Loyalty Society helps to celebrate this rich tradition of consistent annual giving. Every gift makes a difference and helps us to advance our mission and values. To be eligible for this current year, at a minimum, donors must have given each of the last five years. Thank you for your tremendous loyalty and support!

Good Samaritan Council

(\$25,000 or more)
 The Good Samaritan Council
 pays tribute to Cretin-Derham
 Hall's most generous donors.
 Like the biblical character
 referenced in the New
 Testament, these generous
 benefactors have surpassed
 all measures of stewardship
 by advancing the mission
 of our school.

Hugh Derham Council

(\$250 - \$499)

Named for the man whose gift of \$25,000 made Derham Hall a reality in 1905. Members of the council that bear his name lend credence to his belief in quality, Catholic education that was so much a part of Derham Hall and is preserved today at Cretin-Derham Hall.

CDH Highlights: All three varsity CDH Knowledge Bowl teams ended up in the Top 25% of the 106 teams that competed in the Metro Region this year, and all three went on to post-season competition.

Parent Giving Program 2012-2013 Donors

This program consists of voluntary financial support, provided by parents, to help bridge the gap between tuition and the cost of educating each student at Cretin-Derham Hall.

All parents are asked to participate in order to more closely meet the cost of a Cretin-Derham Hall education.

CDH Highlights: Seventy-three percent of the CDH student body participated in one (or more) MSHSL-sponsored sport. Sixty-six student-athletes were named All-Conference in 28 varsity sports. Boys Hockey and Girls Volleyball were the Suburban East Conference champions. Twenty-two student-athletes advanced to state tournaments as individual competitors. Nine student-athletes signed letters of intent to play NCAA or NAIA Division I or II athletics. Four student-athletes received All-State honors. Several students were named Pioneer Press Student Athletes of the Week.

The Cretin-Derham Hall Prayer

*Let us remember that we are in the holy presence of God,
and let us love God and our dear neighbor without distinction.*

Loving God,

Giver of Life, Sacred Friend and Tender Parent,
we know you as helper, healer and comforter.
By your generous Spirit we are forgiven and restored.

Help us to be one with You.
May that union of love lead us to serve others in acts of charity and justice.

Help us to respect not only others but all of creation
so that future generations will have your gifts as well.

Drawing from our Catholic tradition of Gospel values and service,
may we recognize and develop our individual gifts and talents
so that our work at Cretin-Derham Hall
will empower us to go out among others
with the passion and self-giving of our patrons and intercessors,
St. John Baptist De La Salle and St. Joseph.

With grateful hearts we ask this in Jesus' name.
Amen.

St. Joseph, pray for us.
St. John Baptist De La Salle, pray for us.
Live Jesus in our hearts—forever.
